- Consumer protection act, motor vehicle act, land acquisition act must have included in the courses since these acts are required to deal with in daily life
- College is doing very well for all the students helpull guides knowledgable professors proud to be part of kare college as a student
- There is a catena of practical courses that the institution must undertake as mandatory or foundation course subjects under its wing. Certain not so market value subjects should be dropped. Instead of specialised courses requiring additional payment courses should be made part of the syllabus.
- Urgent need for RERA Act, contract drafting courses etc are to be included in the syllabus this will ensure the development of corporate law in Goa. The institution shall instead of waiting for a mandate from the Bar Council to make a subject mandatory start to offer market value courses as an optional part of the syllabus.
- The BA subjects taught are not on par with the other graduate students hence it needs urgent revision. Professor's capacity to teach the difficult concepts has to be re-evaluated. \*This form need to be rechecked and none of the above option has to be included in question 2 and 5.
- The learning experience was overall very good in Kare college. The teachers have been pro active and attentive in teaching us the topics in terms of the syllabus as well as the current scenario.
- Over all good, Nothing at all, Good
- After the completion of the course equal opportunities open up for all at global level
- Should add more of the Goan laws related subjects.
- Revision required for inclusion of more time to practical subjects and state related subject-topics
- Everything is balanced, Content of course covered of various Syllabus gives a Clear understanding of every subject.
